

1	Eclipse Island - Square (1160 x 1160mm)
2	Eclipse Direct Fixing Kit 750, comprising:
a	Soffit Profile
b	Panel Profile
3	Spiral Anchor

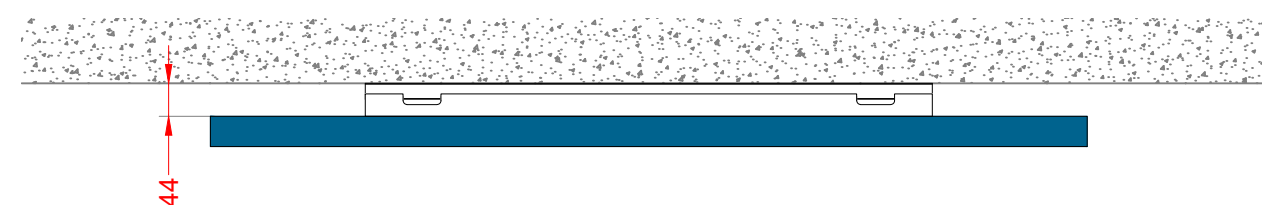

Notes

- Each 1160mm Square Eclipse Island requires 1 Direct Fixing kit, which comprises:
 - 2 Soffit Profiles,
 - 2 Panel Profiles, and
 - 4 Spiral Anchors
- Spiral Anchors are inserted into the back of the Eclipse through the pre-made holes in the Panel Profiles.
- The Soffit Profiles must be attached to the soffit using suitable fixings (not supplied) through the pre-made holes.
- Integrated services must be supported independently of the Eclipse.

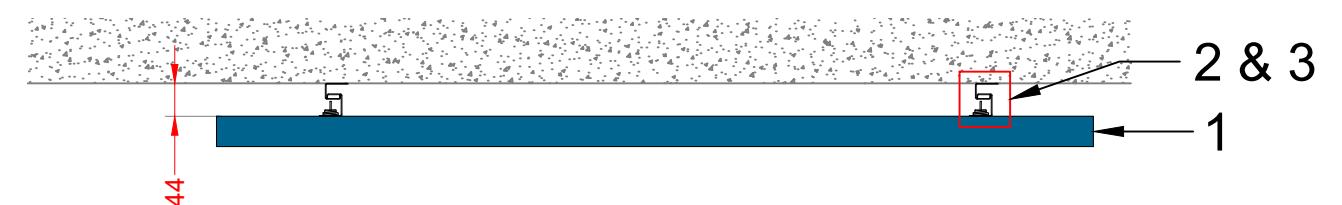

Eclipse Direct Suspension kit

Section A - A

Section B - B

Drawing must be read in conjunction with the latest System Description for Rockfon System Eclipse Island

All screws and fixings shown are for illustrative purposes only.
Suitable fixings should be selected based on structure and materials used.
