

Clips on top of baffles allow connection to T24 grid components

Common suspension for two baffles in a row

1	Universal Baffle 4F
2	Chicago Metallic T24 Main Runner (#155132)
3	Chicago Metallic T24 1200mm Cross Tee (#158088)
4	Top Fixing (not supplied)
5	Galvanised suspension wire (not supplied)

Acoustic performance dictated by distance between parallel rows (see dimension 'X' in Section B - B).
Contact UK & I Technical Department for available test data

Section A - A

Section B - B

All screws and fixings shown are for illustrative purposes only.
Suitable fixings should be selected based on structure and materials used.
